CACAPON GOLF - A Robert Trent Jones, Sr. course

At 2,300 feet, Cacapon Resort offers a challenging championship golf course, designed by designer Robert Trent Jones Sr. His design makes prime use of the rolling foothills at the base of the ridge of Cacapon Mountain.

Rated as one of the 130 best-designed courses in the United States, the Cacapon course features 73 well-placed sand bunkers. There are three ponds on the course which come into play on four holes. The course has several other water hazards in the form of small streams coming from the mountain side. The course is known for a double green that is over 100 yards wide.

The course plays 6,827 yards for the championship tees with a par of 72, a course rating of 72.9 and a slope rating of 126. The white tees have a yardage of 6,267, a 70.4 rating with a slope rating of 123. The yellow tees are 5,910 yards in length with a 68 rating and slope of 119 for men and a 73 rating and slope rating of 118 for ladies. Red tees are 5,647 yards with a slope rating of 118 and an overall rating of 70.7.

In addition to great golf Cacapon Resort invites you to enjoy:

- a good menu variety in the Cacapon Lodge Restaurant
- wireless access throughout Cacapon Lodge
- overnight accommodations at Cacapon Lodge or cabins, cottages or bungalows
- hiking, fishing or nature exploration
- wobble clay sport shooting range
- 3-D archery course
- nearby by Berkeley Spring State Park and spa services
